Lions Eye Screening 2011

cum Eye Care Talk - Sunday 10 April 2011

At the site inspection of Cheng San Community Club on Tuesday 8 March 2011, we had a show around and a good meeting with Singapore National Eye Centre officials and a few key Lions including Organizing Chairperson Leslie Yong and Co-Organizing Chairperson Lim Sin Tat, Lion Peter Chua and Lion Andy Tan. It was at first hand I saw the work efficiency, effectiveness and leadership skills of Lion Leslie Yong. I was impressed by what I saw and encounter. No wonder Lion Leslie Yong is offering himself as a candidate for 2nd Vice District Governor 2011/12. Let us wish him all the best.

Let us have a successful Lions Eye Screening 2011 cum Eye Care Talk on Sunday 10 April 2011 (see work details below). Guest of Honour is Dr Lam Pin Min, Member of Parliament AMK-GRC, VIP Guest DG Steven Seah and we may even have the Prime Minister Lee Hsien Loong and the other Members of Parliament, AMK GRC to come a visiting too. We look forward to our Lions Clubs coming forward to help wherever possible to make work light and fun as WE SERVE. This project is a follow-up from the surplus generous donations by our Lions Clubs, in the recent Lions World Sight Day 2010 cum Annual Lecture last October 2010.

Complimentary free LSSC T-Shirts and LSSC Collar Pins will be given, while stock last, to all participating Lion Members and SNEC Officials. Those Lions Club who wish to participate, please contact Lion Leslie Yong to confirm your attendance so that we can also cater for your buffet lunch. All are welcomed to join us in this meaningful community project.

EDITORIAL

LSSC Extraordinary General Meeting

At the recent LSSC Extraordinary General Meeting on Tuesday 1 March 2011, the LSSC Chairman Honorary Lion Professor Arthur Lim was able to get the unanimous support to get the LSSC Constitution & By-Laws amended as requested by the Ministry of Health in connection with the LSSC application for IPC-Charity. With this amendment, we hope to clear the last hurdle in our application. Meantime, we had just submitted the LSSC Constitution & By-Laws amendments to the Registrar of Societies for their due processing and approval probably takes another 3 months; after ROS approval, then further submission for the Ministry of Health IPC-Charity for approvals.

The meeting was convened at 2000 hrs and was concluded at 2010 hrs - a 10 minutes Extraordinary General Meeting. Everyone present applauded and complimented the Chair for a wonderful EGM.

Many may not know, our monthly LSSC Management Board Meetings are usually from start to end took us only 30 minutes at the shortest or maximum 75 minutes at the longest. This is the hallmark of our Presiding Chairman Honorary Lion Professor Arthur Lim. Yet we all know much had been transacted and with job done; if anyone who wishes to attend the meetings, please contact PDG Han for coordination.

STOP PRESS

1. The LSSC Collar Pin is ready and is a beautiful item. The pin was distributed to the attendees at the recent Tuesday 1 March 2011 LSSC Extraordinary General Meeting. At the upcoming Lions Eye Screening 2011 cum Eye Care Talk on Sunday 10 April 2011 the pins will again be distributed with compliments from LSSC, while stock last; so will be the LSSC T-Shirts too, again while stock last.

There is great treasure there behind our skull and this is true about all of us. This little treasure has great, great powers, and I would say we only have learned a very, very small part of what it can do.
